Section 5-123 Certification and Posting of Candidacies

During the week next following the last Saturday of the third month preceding the day fixed for the election, the Recorder shall arrange the names

of all the candidates, who have filed announcements with him, as provided in this chapter and shall forthwith certify the same under his name and the lesser seal of the town, and file the same in his office.

Such certificate of candidates shall show the name and residence of each candidate, the office for which he is a candidate. The Recorder shall post a duplicate of such certification in a conspicuous place in his office and keep same posted until after the election.

Section 5-124 Publication and Printing of Ballots; Number

Between the sixtieth and the thirtieth days next prior to the date of the election, the ballot commissioners of this Town shall prepare from the lists and certificates of announcements, as provided in this chapter, a sample official ballot, placing thereon the names of all the candidates to be voted for at such election. During the two weeks next preceding the election they shall publish such sample official ballot as a Class 2-0 legal advertisement, and the publication area for such publication shall be the town. The second publication shall be on the last day upon which each newspaper is published before the election.

The ballot commissioners shall determine the total number of official ballots required for conducting the elections in all of the election precincts of the town and shall cause same to be printed at least thirty days next preceding the date of the election and made ready for delivery to the several precincts along with other election supplies. The number of official ballots prepared for delivery to a precinct shall not exceed one and on-twentieth times the number of registered voters in that precinct.

Section 5-125 Candidacies not Certified

If by satisfactory evidence it shall appear to the ballot commissioners of this town that announcements have been made in conformity with the provisions of this title and no certificate thereof has been received by them, they shall include such persons among the names of candidates to be printed upon the ballots, as in this chapter provided.

Section 5-126 Sample Ballots

The Recorder shall arrange the names of the candidates to be printed on the ballot by random selection under the title of the respective offices upon the ballot.

In printing each set of ballots the position of the names of the candidates shall be changed in each office division as many times as there are

candidates in that office division. As nearly as possible an equal number of ballots shall be printed after each change. In making the change of position, the printer shall take the line of type containing the first name in the office division concerned and place it at the bottom of the list of names in that division and move up the column so that the name that before was second shall be first after the change. After the ballots are printed, they shall be kept in separate piles, one pile for each change in position, and shall then be gathered by taking one from each pile. Sample ballots shall be in the same form as the official ballot, but the order of the names thereon need not be alternated.

All ballots used in elections shall be printed on paper conforming as nearly as practicable in weight, texture, and color to the sample furnished by the secretary of state, and the paper shall be sufficiently thick so that the printing cannot be discernible from the back. On the back of the ballot shall be printed in black ink, and in plain legible, black face pica type, the word "ballot". Both clerks shall then sign the back of the ballot and shall mark the voter's registration record, indicating that the voter has voted.

After marking his ballot, the voter shall hand his ballot to a commissioner who shall check the number of the ballot and make sure it has been duly signed. It shall be the duty of the commissioners of the counting board to count the votes and the duty of the clerks of the counting board to record the votes on tally sheets. There shall be two tally sheets.

During the course of counting, if the intention of the voter is understood, then the counting board shall count his vote.

Once the counting of the votes is completed, certificates, of results shall be sent to the municipal recorder and the secretary of state and one copy shall be posted at the polling place. All marked ballots shall be sent to the governing body which serves as the canvassing board.

Section 5-302 Precinct Returns; Certificates; Procedures

As soon as the results are ascertained, the commissioners of election and poll clerks at each place of voting shall make out and sign four certificates thereof, in the following form or to the following effect: "We, the undersigned, who acted as commissioners and poll clerks of the election held at precinct No. _____ in the district _____, and county of _____, on the _____ day of _____, do certify that, having been first duly sworn, we have fairly and impartially held the said election according to law, and the result thereof is as follows: For the office of _____, (here designate the office, as for example, "Delegate for the county of Barbour, or "Senator for the first senatorial district", "Judge for the first circuit", "Representative in the Congress of the United States for the first congressional district", "Governor of the State", "Judge of the supreme court of appeals", "Justice of the Peace", and so forth, as the case may be), "A.B. received _____ votes, C.D. _____ votes, E.F. _____ votes", and so on throughout stating, according to the truth, the full name of every person voted for, for every office, and in words at length, and also in figures, the number of votes received; and concluding as follows: Given under our hands this _____ day of _____." The certificates shall contain complete returns of the polls taken at such place of voting for every office to be filled, and shall be sealed and disposed of as is provided in Section (5-210) of this title for certificates as to the result of a election. When the certificates are signed, the ballots shall be enclosed by the commissioners in an envelope which they shall seal up, and write their names in ink across the place of places where it is sealed, and endorsed in ink on the outside of the envelope as follows: "Ballots of the election held at precinct No. _____, in the district of _____, and county of _____, town of _____, the _____ day of _____."

record of all their proceedings in ascertaining and declaring the result of every election in our respective town. They shall convene as such canvassing board at the Town Hall on the fifty day (Sundays excepted) after every election held in this town, and the officers in whose custody the ballots, poll books, registration records, tally sheets and certificates have been placed shall lay the same before them for examination. They may, if deemed necessary, require the attendance of any of the commissioners, poll clerks or other persons present at the election, to appear and testify respecting the same, and make such other orders as shall seem proper, to procure correct returns and ascertain the true result of the election in their town; but in such case all the questions to the witnesses and all the answers thereto, and evidence, shall be taken down in writing and filed and preserved. All orders made shall be entered upon the record. They may adjourn from time to time, but no longer than absolutely necessary, and, when a majority of the commissioners are not present, their meeting shall stand adjourned until the next day, and so from day to day, until a quorum be present. The board shall proceed to open each sealed package of ballots so laid before them, and without unfolding them, count the number in each package and enter the same upon their record. The ballots shall then be again sealed up carefully in a new envelope, and each member of the board shall write his name across the place where such envelope is sealed. After canvassing the returns of the election, the board shall, upon the demand of any candidate voted for at such election, open and examine any one or more of the sealed packages of ballots, and recount the same; but in such case they shall seal the same again, along with the envelope above named, and the recorder of the town and each member of the board shall write his name across the place or places where it is sealed, and endorse in ink, on the outside: "Ballots of the election held at precinct No. _____, in the district of _____, and the county of _____, in the town of _____, on the _____ day of _____". Every candidate who demands such recount shall be required to furnish bond in a reasonable amount with good sufficient surety to guarantee payment of the costs and the expenses of such recount in the event the result of the election be not changed by such recount; but the amount of such bond shall in no case exceed three hundred dollars. When they have made their certificates and declared the results as hereinafter provided, they shall deposit the sealed packages of ballots, absentee voter ballots, registration records, poll books, tally sheets, and precinct certificates with the recorder of the town for whom they were received, who shall carefully preserve the same for sixty days, and if there be no contest pending as to any such election, and their further preservation be not required by any order of a court, such ballots, poll books, tally sheets and certificates shall be destroyed by fire or otherwise, without opening the sealed packages of ballots; and if there be such contest pending, they shall be so destroyed as soon as the contest is ended: Provided, that the poll books shall be preserved until such time as the recorder of the town has completed the duties imposed upon him by Section (5-115) of this title. If the result of the election be not changed by such recount, the costs and expenses thereof shall be paid by the party at whose instance the same was made.

Section 5-304 Disposition of Certificates; Procedure Thereon

The separate certificates of the board of canvassers shall be given to the Recorder of the Town who shall notify the winner of the election.

Section 5-305 Tie Vote Procedure

When two or more people shall receive an equal number of votes for Councilman or other Town officer, such tie shall be decided by the Council in being.

Section 5-306 Contest of Elections; Notices; Time

In all cases of contested elections, the Town Council shall be the judge of the election, qualifications and returns of their own members, and of all Town officers.

A person intending to contest the election of a Town office or any office that shall hereafter be created to be filled by the voters of the town, shall, within ten days after the result of the election is declared, give the contestant notice in writing of such intention, and a list of the votes he will dispute, with the objections to each, and of the votes rejected for which he will contend. If the contestant objects to the legality of election, or the qualification of the person returned as elected, the notice shall set forth the facts which such objection is founded. The person whose election is so contested shall, within ten days after receiving such notice, deliver to the contestant a like list of the votes he will dispute, with the objections to each, and of the rejected votes for which he will contend; and, if he has any objection to the qualification of the contestant, he shall specify in writing the facts on which the objection is founded. Each party shall append to his notice an affidavit that he verily believes the matters and things set forth to be true. If new facts be discovered by either party after he has given notice as aforesaid, he may, within ten days after such discovery, give an additional notice to his adversary, with the specifications and affidavit prescribed in this section.

Section 5-307 Town Council to Hear Election Contests; Procedure; Review

The Town Council shall hear and decide election contests initiated pursuant to the provisions of the preceding section (5-306). Subpoenas for witnesses for either party shall be issued by the Recorder of the Town, and served as in other cases, and the witnesses shall be entitled to the same allowances and privileges, and be subject to the same penalties, as witnesses attending a circuit court in a civil suit. The notice of contest shall be presented to the Town Council at its first term after the same is delivered to the person whose election is contested, and the same shall be docketed for trial in such Council. At the trial of such contest, the Council shall hear all such legal and proper evidence that may be brought before it by either party, and may, if deemed necessary, require the production of the poll books, certificates and ballots deposited with its recorder, and examine the same. The hearing may be continued by the Council from time to time, if it be shown that justice and right require it, but not beyond three months of the day of the election. At the final trial of such contest the Council shall declare the true result of such election, and cause the same to be entered on the records of the Council. When the result of the election is declared, as aforesaid, a certified copy of the order declaring such result shall, if required, be delivered by the Recorder of the Town to the person declared elected, if such be the result of the trial, and such copy shall be received in all courts and places as legal evidence of the result of the election therein declared. Either the contestant or

contestee shall have the right of appeal to the circuit court of the county from the final order or decision of the Town Council in such proceeding, upon the filing of a bond with good personal security, by the party desiring the appeal, to be approved by the Town Council, in a sum deemed sufficient by such Council with condition to the effect that the person proposing to appeal will perform and satisfy any judgement which may be rendered against him by the circuit court on such appeal. But such appeal shall not be granted unless the party desiring the appeal shall make application for such appeal, and file such bond, within thirty days from the entering of the final order in such proceeding; and the circuit court may at any time require a new bond or increase the penalty thereof when the court deems it necessary. When such appeal is taken to the circuit court, as hereinbefore provided, it shall be heard and determined upon the original papers, evidence, depositions and records filed before and considered by the Town Council and the circuit court shall decide the contest upon the merits. From the decision of the circuit court, an appeal shall lit to the supreme court of appeals, as in other cases, but such appeal shall be heard upon the original papers and copies of all orders made, without requiring the same to be printed.

Section 5-308 Costs in Election Contests

The cost of every contested election shall include only the expenses of serving notices, taking depositions and the allowances to witnesses; and shall be noted at the foot of every deposition or set of depositions, by the person taking the same. If the contestant fails in setting aside the election, there shall be awarded against him the amount of such costs incurred or expended by the person who was returned or declared elected. Otherwise, each party shall pay his own costs; unless it appears that the person returned or declared elected was guilty of fraud or malpractice in the election, or in procuring such return or declaration, in which case costs shall be awarded against him in favor of the contestant. Where costs are awarded in favor of either party, the amount thereof shall be ascertained under direction of the Council, or court, which decided the case, and a certificate thereof, authenticated by the signature of the presiding officer, shall be delivered to the party in whose favor they are awarded, which certificate shall have the force of a judgement; and if such costs be not paid within ten days after the date thereof, the Recorder of the Town in which the party against whom the costs were awarded resides, may issue execution of such certificate, upon its delivery to such Recorder, in like manner as upon a judgement of the circuit court.
